

MAPS

Methodology for Assessing
Procurement Systems

List of assessors

UPDATED ON 21 JULY 2026

INTRODUCTION

Each assessment conducted with the Methodology for Assessing Procurement Systems (MAPS) should be carried out by a team of highly qualified experts in the field of public procurement. A profile describing the required skills and experience of MAPS assessors can be found on the [MAPS website](#).

The following list contains an overview of assessors who have passed the e-learning exam to obtain the MAPS Certification.

The MAPS Secretariat can be contacted for support with regards to liaising with persons on the list or with general questions regarding assessors.
