Methodology for Assessing
Procurement Systems

List of assessors

UPDATED AUGUST 2023

INTRODUCTION

Each assessment conducted with the Methodology for Assessing Procurement Systems (MAPS) should be carried out by a team of highly qualified experts in the field of public procurement. A profile describing the required skills and experience of MAPS assessors can be found on the [MAPS website](#).

The following list contains an overview of assessors who have passed the e-learning exam to obtain the MAPS Certification and/or who have conducted assessments that have so far undergone full quality assurance, received the [MAPS Seal of Approval](#) and been published on [the website](#).

The MAPS Secretariat can be contacted for support with regards to liaising with persons on the list or with general questions regarding assessors.
