

MAPS assessment of **MAURITIUS**

*Findings and
Recommendations*

**15 February 2023
14h00 CET**

DRAFT AGENDA

Mauritius is preparing their procurement system for more integration of e-Procurement into the full procurement cycle, implementing sustainable public procurement, and translating a well-established legal framework into professional procurement practices. What are the challenges and opportunities related to these efforts in a highly developed, high-income African country? Join us for this webinar presenting the findings and recommendations of the recently published Mauritius MAPS report.

14:00-14:05
